

The Edenhope P&A Society & Harrow Horsemanship Challenge
proudly present

The **TACK ROOM**

DOUBLE-UP SERIES

STOCKMAN'S CHALLENGE

Proudly sponsored by The Tack Room and Wayne Fields Leaterwork
The series champion will be announced, based on the highest points accumulated by a rider at both the Harrow Horsemanship Challenge and Edenhope Stockmans Challenge and presented with a beautiful, handcrafted Wayne Fields swinging fender saddle, valued at more than \$5700.
Riders must pay entry fees and participate in both the Harrow Horsemanship Challenge, October 12 & 13, 2019 and any of the adult challenges at the Edenhope Show on November 16.

No further registration or fee is required to be eligible for the series; rider nomination will be registered with completion and submission of the Edenhope Show Stockman's Challenge entry form.

If a rider enters more than one horse in either the Harrow or Edenhope events, the rider's highest points tally on an individual horse, will be taken into account.

The Gringo Junior Double-Up

We are honoured to present this award in memory of our friend, the late, great Bruce 'Gringo' Caulfield.

Bruce had a never-ending passion for developing and encouraging young riders and this inaugural trophy, in his name, will be presented to the rider who accumulates the highest points over the junior sections at both the Harrow and Edenhope Challenges.

Full terms and conditions available from the challenge convenors.
